## GVC Room System Package Add On

+\$30/month

The GVC Room System Package is an add on plan that when combined with Grandstream's GVC3200 Series of Video Conferencing Devices will allow users of the device to enjoy all features of the registered account and upgrades users with access to unlimited 1080p Full HD meetings (up to 6 hours per group session), unlimited Webinars, up to 5GB storage, VoIP & Toll Dial-In, and group account admin & billing.

To enjoy this plan, the GVC device needs to be purchased separately from one of Grandstream's authorized channel partners.
